This document relates to:	:	<u>AFFIRMATION OF</u>
ALL ACTIONS	:	<u>LAURA ANNE REEDS, ESQ.</u>
	:	<u>IN SUPPORT OF FEE</u>
	:	<u>APPLICATION</u>
-----	X	

LAURA ANNE REEDS, an attorney licensed and admitted to practice before the Federal District Court for the Eastern District of New York, hereby affirms the following to be true, under penalty of perjury:

1. I am an associate of the law firm of Carter Ledyard & Milburn LLP, counsel for Objector D. David Cohen in the above-captioned class and derivative actions. I submit this Affirmation in support of D. David Cohen's Motion for Attorneys' Fees and Expenses pursuant to Rules 23(h) and 54(d)(2) of the Federal Rules of Civil Procedure.

2. The attorneys of Carter Ledyard & Milburn LLP have expended a great deal of time and effort toward improving the Settlement. While the fees requested herein do not include time billed by co-counsel pro se D. David Cohen, he has also expended considerable time and effort in this endeavor. Many hours of legal research were conducted in evaluating various aspects of the Settlement, and numerous documents were drafted and filed with the Court in connection with Objector Cohen's attempt to intervene in the Settlement and his objections to the Settlement. In addition, Objector and his

counsel made two court appearances in this action in an effort to achieve a Settlement that was fair, reasonable and adequate.

3. These efforts have improved the settlement by alerting the Court to the inadequacy of the investigation performed by class counsel, the erroneous nature of the proposed class periods, the fact that the Settlement would permit the primary wrongdoers to escape liability for their actions without contributing to the Settlement, and the fact that David Brooks would actually benefit monetarily from the Settlement as well as increasing his control of DHB. These efforts have also informed the Court of the need to conduct an evidentiary hearing, and will serve as the basis of an appeal in the event that the Court approves the Settlement without requiring an evidentiary hearing or assuring that the Settlement is fair, reasonable and adequate to the members of the Class and the shareholders in the derivative action.

4. Attached hereto as **Exhibit A** is a detailed report of the time that I billed while performing work on this matter through September 21, 2007. I have billed a total of 159.8 hours, at my customary rate of \$200.00 per hour, for a total of \$31,960.00.

5. Attached hereto as **Exhibit B** is a detailed report of the time billed by Carter Ledyard & Millburn partner Gary D. Sesser through September 21, 2007. Mr. Sesser billed a total of 52.5 hours, at his customary rate of \$550.00 per hour, for a total of \$28,875.00.

6. Attached hereto as **Exhibit C** is a detailed report of the expenses related to this matter incurred through September 21, 2007. These expenses come to \$6,291.54.
